

Attention All Club Members and Aspiring Club Members

Friends,

Most of you are aware that the Club Rules are amended. The Club Rules are posted on our website the moment they were made available to us.

Still we hear from some branches that Agents are either not clear or being misled regarding the Revised Club Rules and the CRITERION FOR CLUB MEMBERSHIP UNDER TRANSITIONAL ARRANGEMENT which is mentioned on the Page 16 of the Circular available on our website.

Pl click <http://www.liafi.org/circularsdocs/fle4e577f5f35cf6.pdf>. If you are unable to get it, please copy paste the link to your browser and access it. You will be able to get the attachment. You may also click on www.liafi.org and go to the **Revision of Agents Club Rules** link.

Friends, we get Club Membership out of 4 years of hard work only in the 5th year. Let's not lose this credit for just a small additional effort. The Club Membership is a symbol of our Professionalism. LIAFI's strength and focus is on Professionalism. Let's all make sure that we meet all the criteria determined for achievement, continuation and/or improvement of the Coveted Honor of Club Membership.

LIAFI wishes all its members happy achieving the Club Targets.
